Adopt an Animal

Animal adoptions are a fun and unique way to support the animals of the Binghamton Zoo at Ross Park. They also make great gifts! Visit our ticket booth or log onto www.rossparkzoo.com for more information.

Kids Only! Scavenger Hunt

Hey kids! Find a print out of me hanging at one of the Binghamton Zoo's many exhibits and look for the secret code. Remember that code and mention it to the staff at our Zooverns Gift Shop on your way out. The secret code will get you a prize to take home with you! Good luck!

Become a Member!

Apply up to \$25.00 of today's admission toward the cost of a Family Membership and visit throughout the year for **FREE**. Visit our ticket booth for more info.

Please Respect the Animals

The Binghamton Zoo at Ross Park is home to many animals. They are wild and can be sensitive. Please do not tap on the glass, make excessive noise, throw anything into exhibits, or cross barriers. Our staff and animals thank you!
